

CLASS NOTES

BUNNY ROOM

DECEMBER 2018

"The child absorbs knowledge directly into his physical life...Impressions do not merely enter his mind, they form it. Maria Montessori in the Absorbent Mind.

We began the month of December exploring the continent Asia. The children had a great time with all the beautiful materials from countries of Asia. The children watched the video, "Big Bird Visits Japan" and eating delicious noodles with chopsticks at the low tables for snack. The children enjoyed writing to 10 and counting to 10 in Chinese. A big thank you to Arabelle who assisted with teaching the class Chinese and Korean lovely words!!

This week we learned about Maria Montessori. The children will learn how Maria Montessori wanted a peaceful world and children all around the world to love and enjoy learning. This is a good time to ask your child why our school is called Montessori. We read the book, "Our Peaceful Classroom, by Aline D. Wolf. The children made beautiful world peace doves and will decorate our wall this week!

A big Thank You to Drori Naar and Ana Alvarez Wyman who shared the beautiful Hanukkah story with our class! The children loved the lighting of the beautiful menorah and the dreidel! The children had a great time listening to the Hanukkah songs!! This week we will explore Kwanza. The children will make a lovely kinara which is the special candle that is used with the Kwanza celebration. The children will end December with a special gift for their families! We hope everyone enjoys their gifts!

A big Thank You to all the Families who signed up to help with our class Holiday Party!! We hope to see all the Parents on this Friday, December 14th at 9:00A.M. for our holiday party!!

We will continue our continent unit after the winter break. We wish everyone a safe and happy holiday!!

Happy Birthday to Alex(5), Selena(5),Bella(5)!
