

CLASS NOTES

NOVEMBER

BUNNY ROOM

This month we will begin this week in November exploring "Our World". We will begin our continent unit with a lovely map of our school. The children will use play dough to identify the classrooms. North America is the first continent we will study. The children will learn about the many countries in North America.

We have a continent basket, which contains beautiful materials such as books, musical instruments, art, statues, masks and clothing. The materials help the children have a better understand about the different countries and cultures around the world. Mrs. Marcia will be assisting with making quesadillas and everyone will make a flag of Mexico.

Our line time has been full of musical instruments and beautiful singing. For many weeks we have been practicing and preparing for a special holiday program which will be held on Friday, December 14th at 9:00am. Please plan to join us in the Bunny classroom for this special event and stay to have a snack with our class.

We will end the month of November with Thanksgiving as our topic. We are asking each classmate to bring in a fruit to share for our Thanksgiving celebration. Our celebration will include a special art activity and a lovely poster of all the things we are thankful for.

Now that the cooler weather has arrived on our playground, please make sure your child has a warm coat, hat and mittens. Please don't forget to label all of your child's clothing. Thank you!

It was wonderful talking to the parents at conferences on Friday. Please remember I am always here and if you have concerns or questions, please feel free to contact me about the concerns you are having.

Mrs. Peat
