

Happy New Year to all!!! After a lovely holiday break, we are ready to study the Arctic animals, their habitat and some fun activities related with this topic. We will learn about snow owls and how they hunt in winter. We will watch some documentaries about animals of the polar region and read “The Little Polar bear” series by Hans de Beer.

We will continue with our Continent unit with the study of South America this month. We will make flags and crafts of countries from this continent. Parent involvement is greatly encouraged and appreciated.

We will be celebrating the 100th Day of School in Jan. Children are encouraged to bring 100 items to school in a zip lock bag. Some examples are: 100 pennies, buttons, mini Legos, stickers, etc. Bags will be sent home at the end of the day.

A friendly reminder: Please dress your child according to the weather and please send hat and gloves to school on a regular basis. We hope to have a safe and joyful year ahead.

Maria Montessori- “One test of the correctness of the educational procedure is the happiness of the child.”
