

Duck Morning Notes

Feb. 2019

A big thanks to our wonderful families for their generous donations for the food bank. Duck friends participated very cheerfully in bringing items to school, in counting the bags and giving a helping hand to the community. Thank you for making it a huge success.

We are getting ready to study Africa and as always, parent participation is encouraged and appreciated. If you have artifacts, books, songs or any item related to Africa, please feel free to share with us.

As Feb is dental health month, we will talk about dental hygiene in our class. We will make a list of foods that are good for teeth and how to keep our teeth and gums healthy.

We will celebrate Valentine's day on Feb 14 by exchanging cards with each other and enjoying a special group snack. Please send 20 cards to school with your child's name on each card. More information will be posted in the upcoming weeks along with a SignUp Genius for group snack.

"The Child making use of all that he finds around him, shapes himself for the future" -Maria Montessori
