

**KITTY ROOM - AM Class**

November 30, 2018

November passed quickly in the Kitty Room as we sang songs, read stories and learned poems about Thanksgiving. We celebrated at school by preparing a group snack of fruit salad. Each child had a turn to wash and to slice fruit for the feast. Festive napkins and arranging the tables “family style” made our snack a memorable experience for the class. I hope all of our families enjoyed a warm and wonderful Thanksgiving holiday! Thank you for attending parent/teacher conferences and allowing me to share information with you about your child’s time at MSCU. It was a pleasure to see some of our families in attendance at MSCU’s open house, too. A very happy fourth birthday to our Kitty Room friend Nathan!

Sincerely,

Ms. Lynn Holland
