## Sibling Extracurricular Care Guidelines

We understand it can be difficult to pick up multiple children from extracurricular activities that meet after school. With that in mind, we offer the Sibling Extracurricular Care program to our MSCU families participating in extracurricular activities.

### What is Sibling Extracurricular Aftercare?

The program is intended to give families the ability to have siblings of students who participate in MSCU extracurricular activities, childcare when they need it. MSCU students who stay until 2:30 or 3:00 PM, and have a sibling in an MSCU extracurricular activity, are eligible to transition their second (and/or third) child into our Sibling Extracurricular Care Program. Care starts at dismissal and **ends at the same time as the first sibling's extracurricular activity.**

### How do I purchase Sibling Extracurricular Aftercare days?

The price for Sibling Extracurricular Care is based on the number of sessions in the extracurricular program. Sibling Extracurricular Care days cost \$15 per hour and can be purchased from the front office staff with a check made out to MSCU. All fees are non-refundable.

All extracurriculars meet for 15 sessions with a sibling care rate of \$225 per semester. For example; if you have a child taking Ballet, then the sibling care will be \$225 a semester. If a child is enrolled in 2 programs (i.e. Ballet and Chess), the sibling care will be \$450 a semester

### Here are the basic guidelines for the program;

- **Students must be picked up at the conclusion of their sibling's extracurricular program.**
- Students in the Sibling Extracurricular Aftercare program will be placed in either the Bird or Butterfly room during this time.
- Students will be provided a snack at the beginning of the program. They will have an opportunity to participate in craft activities, story book time, group activities and outdoor play.
- Pickup time is at the conclusion of the sibling's extracurricular activity.
- Parking is available on the street. Have your security code ready so you can walk into the building and pick up your child in either the Bird or Butterfly room.
